Instructions

Select one of the two options below and complete it before our next class.

Option 1: Write Your "Why"

Write a short essay answering the questions in the essay prompt below.

Essay Prompt: What is your "why" when it comes to money management? What do you hope to achieve? Identify three concepts you learned in Brandon's webinar that can help you achieve your goal.

Required Length: 200+ words

Option 2: Share & Report

Select three concepts you learned from the webinar and share them with someone else. Ask the person what their "why" is for money management. Then report back on what you shared and the other person's "why."

Required Length: 100+ words
